## No Board Meeting in July

THE TACKLE BOAT

Hello Everyone,

Winter is gone with fishing season here. Over the winter we held our annual banquet at Van Abel's in Hollandtown. It all went great and we would like to thank everyone who was involved in making it a success. We are getting a lot of positive feedback on the quality of our banquet and would like that to continue. If anyone would like to help or get more involved in the planning, let a board member know since we need as much help as possible. Also, keep in mind that the banquet isn't limited to members only it is open to anyone who would like to attend. So tell your friends!

This year our 2 outings will be held in Lake Tomahawk. The spring outing will be June 8th, 9th, & 10th and the fall outing will be September 7th, 8th & 9th. The hours for the outings are 12:00AM on Friday to 1:00PM on Sunday. The outing headquarters will be at Captain Hooks in Lake Tomahawk. The Saturday afternoon party will be at the Lake Tomahawk town park from 1:00 - 2:30 PM, with setup starting at 12:00PM if anyone is willing to help. Be sure to sign the registration book which will be at Captain Hooks. During the party it will be at the park. To be eligible to win the awards for the outings, you must sign the registration book at some point that weekend. Everyone who signs the registration book is also eligible to win the attendance prize which is a musky reel that will be drawn and given away at the February banquet. (1 reel for each outing) All fish must be caught in Oneida or Vilas County. If you catch a fish you can register it in person or call Captain Hooks at 715-277-2405 to register it. Remember the outings are open to all members, spouses and children. Thanks to Pat Wingo at Captain Hooks for helping us out and when in Lake Tomahawk stop in and thank him.

The Lil Angler fishing day for kids will have 2 events again this year. May 12th at 1000 Islands in Kaukauna and June 3rd at High Cliff. The 1000 Islands event is open to the first 200 kids and High Cliff to the first 350 kids. The kids, along with their Parents, fish, eat a lunch and receive door prizes. If you are interested in helping, let us know we are always looking for more help. For more info go to [www.lilangler.com](http://www.lilangler.com) and check it out!

If you have not paid your 2007 dues yet, please send them in as soon as possible. New members are always welcome!

This year we didn't hand out any Alliance Ranger boat tickets, but we do have them if anyone is interested in selling or buying any. This year the price changed from \$1.00 each or 6 for \$5.00 to \$2.00 each or 3 for \$5.00. If anyone knows of a place to bring the Ranger boat to sell tickets or needs tickets, call Dave Allen at 920-766-7293. We still receive 75% of the profits of the ticket sales, just for selling the tickets.

Please be sure to register all fish caught and released 34" or larger so our club has accurate records of how many fish our club is catching. Send fish registration form to Gene Allen, 2523 Kavanaugh Rd, Kaukauna WI 54130.

LOCAL AREA PROJECTS - Dave's Musky Club will be allotting \$1,500 for 2008 local area needs, if you have any ideas call Dan Doolittle at 766-4410 or any officers.

Good Luck Fishing!

## **High Cliff State Park "Friends" Land Purchase Fund**

- Dave's Musky Club is a Sponsor -

The land is privately owned but lies within the park boundaries. It will add valuable woods and a section of the Niagara Escarpment to the second-busiest park in the state park system. It also provides an important connection between recreational trails. The High Cliff State Park Friends group, along with the State of Wisconsin DNR, over the last few years has negotiated the purchase of the land and has saved it from development.
